## LASER TAG

**Paintball of the future! Fun without the bruises!**

**We use a state of the art wireless laser tag system as used by the military in training scenarios!**

Ideal for experienced paintball players who want more realistic scenarios and are fed up with the inaccuracy of paintballs, Laser Tag is the optimal activity for:

### **Youth Groups**

(2 groups playing against each other, promoting physical fitness & exercise, keeping the children healthy in body & mind whilst teaching them respect for themselves and others)

~

### **Schools**

(Incentive program for students to earn higher grades)

~

### **Stag/Hen/Hag Parties**

(Play "Hunt the stag" with 100% safety)

~

### **Team Building & Corporate Days Out**

(Teaching interpersonal team skills to increase motivation, communication skills, team productivity & Performance within the workplace)

&

### **Kids Birthday Parties**

Laser tag is fast becoming the most popular activity for Children's Birthday Parties, because it is, fun, safe, & promotes social skills!
